LB GROWTH MINDSET GROUP

– a mindset mastery and personal development group where we read fascinating books, reflect and discuss.

Together we form a mastermind group and a supportive community that will help us all grow and develop into the person we want to be, learn the skills we want to have and adopt the behaviours we want to incorporate into our lives.

The sessions will be done in English, so the added bonus is that you also get to refresh and/or improve your English at the same time.

It doesn't matter where you are in the world, what background or current English skills you have; you are welcome to join this online community, and we welcome you with open arms, inquisitive minds and eager ears.

You choose if you want to read a physical book, listen to the audiobook version or read an e-book on your Kindle. Pick whatever medium works best for you and there is no need to buy the books if you prefer to borrow them at your local library.

Our first session is scheduled for 7-9pm CEST (19:00-21:00 Swedish time, 6-8pm UK time) on the 27th of April, and we will meet once a month to discuss a new book. I will let you know the first title as soon as you sign up, so that you have time to read/listen before we meet on ZOOM on the 27th.

Your investment (apart from possibly purchasing each title) is brainpower, enthusiasm and
